## Legal Guidance on International Travels

### Overview

Indonesian government is doing everything in its power to prevent the further spread of COVID-19 while also maintaining Indonesia's economy stability. One of their many efforts is making a COVID-19 Task Force who had issued COVID-19 Task Force Circular Letter No. 22/2022 regarding Health Protocols for International Travel during the Coronavirus Disease 2019 (COVID-19) Pandemic.

Hence, in this Legal Guidelines, we have summarized the terms and conditions that need to be complied by international travelers (PPLN).

# Legal Update

**Mentioned below are protocols requirements that need to be met by PPLN to enter Indonesia:**

1. PPLN may enter Indonesia through the entry points of international travel mentioned below:

- Airports
- Seaports
- Cross-border posts

2. Mentioned below are airports that only act as entry points for PPLN involved in the hajj program and will only be opened until August 15th, 2022:

- Sultan Iskandar Muda Airport
- Minangkabau Airport
- Mahmud Badaruddin II Airport
- Adisumarmo Airport
- Syamsuddin Noor Airport
- Sultan Aji Muhammad Sulaiman Sepinggan Airport

3. Foreign citizens who want to enter Indonesia must comply with the following regulations:

- Indonesian laws & regulations
- Bilateral agreement scheme
- Granted special permission in a written form from related Ministries/Institution

4. At every entry point, PPLN must comply with the following requirements:

- Complying with Indonesian government health protocols
- Complying with Peduli Lindungi requirements before departure
- Able to show a certificate of vaccine (with exceptions)

5. Indonesian PPLN aged 18 and above must show

a certificate of COVID-19 third dose vaccination through Peduli Lindungi

6. Exceptions to the number prior are given to:

- Indonesian PPLN with a medical certificate that states they have special health conditions and comorbidities which prevent them from getting vaccinated
- Indonesian PPLN with a medical certificate that states they were not able to be vaccinated after being infected with COVID-19 but no longer actively transmitting COVID-19

7. Dispensation is granted to Indonesian PPLN with urgent circumstances

8. The application used by transportation modes operator at every entry point of international travel is Peduli Lindungi

9. Cargo ships and crews' health quarantine will be monitored according to Indonesian laws & regulations

AUGUST  
2022
